

SPECIAL EVENT APPLICATION PACKET

Dear Event Planner:

Welcome to the City of Fruita and we are excited that you have chosen Fruita as the location to host your special event. In an effort to make your event application process as efficient and smooth as possible, we have developed this Special Event Application Packet to help you plan your event in Fruita. ***Do Not Be Intimidated by the size of this packet*** – most likely you will not need to complete every form. We have included all the directions and forms you may possibly need.

The Fruita Parks and Recreation Department will act as your main point of contact. Once we receive your Special Events Application, we will coordinate with the Public Works Department, Lower Valley Fire Department, the Fruita Police Department, and other City Departments that may be affected to ensure all of their concerns are addressed and all permits are properly processed.

The City of Fruita requires that we receive a minimum of 90 days notice prior to your special event – this means we need your Special Events Application. This will allow us time to process the application and communicate with other affect departments and agencies. Please be advised that certain application procedures may be lengthy and require you to plan ahead, such as liquor licenses, proof of insurance, etc. – Please plan accordingly. Under certain circumstances and depending on the size of your event we may be able to process your application in an abbreviated manner.

Once the Fruita Parks and Recreation Department has received comments back from the appropriate departments, you will be contacted as to the status of your application. Depending on the event size and impacts on the community, we may ask that a meeting be held to discuss the special event in detail – reviewing traffic control plans, security, emergency response, or other issues affecting the community.

In the event you are requesting services from the City of Fruita (traffic control, electrical needs), you will be provided an estimate of costs and bill for these services. Also depending on the size and community impact of the event, we may request a clean-up / damage deposit.

After your event, we would appreciate it if you would complete and return the Post Event Evaluation Form. This will help us evaluate our service to you and provide enhanced services in the future.

Again, our desire is to make your special event application process as efficient and helpful as possible. Please do not hesitate contacting our office, if you have questions or concerns regarding any of the forms or the process in general. We look forward to you holding a successful event and we thank you for choosing our community as your event location.

Sincerely,

Ture Nycum
Parks and Recreation Director
City of Fruita

Special Event Checklist & Planning Matrix

How do you know if this the right application to fill out?

If you are planning an event that is open to the general public and/or will be held on public property, you will likely need to fill out this application. The following matrix is intended to help you better plan your special event, and to properly fill out all necessary forms from the City of Fruita. It serves as a guide only. If the matrix directs you to fill out only one of the attached forms, you may be able to skip this process and go directly to the department responsible for that form. If your event appears to require more than one of these forms, it is best to turn them in together as a special event application. When in doubt, or if you have any questions, please contact the Parks and Recreation Department at 970-858-0360. Check boxes are located on the matrix for your convenience. All event holders must include pre-checked items with their application.

Prior to planning your event, the City asks that you consider issues related to the following areas and your event's impact on the City's general functions, including everything from emergency responders' access to roads, to neighbors affected by ongoing noise, to street closures' impacts on businesses, etc. If your event will cause inconveniences or disturbances, the City respectfully requests that you consider a range of alternatives to decrease those negative impacts as much as possible. Again, please contact the Parks and Recreation Department at 970-858-0360 for more information.

- Notice of Intent:** All special event-holders are required to fill out a Notice of Intent to Conduct a Special Event form. **See FORM 1.**

- Event Summary Description:** A brief written description of your event to assist City staff in better understanding the scope of its impacts.

Any unauthorized banners and signs will be removed and destroyed.**

Banners will be reserved on a first-come, first served basis by written application only. Special event holders may reserve banners for the week of or week preceding their event when they notify the City of their event. Nonprofits holding events on private property may apply for a banner. Once approval is granted, the banner should be delivered to the City one week prior to its display.
