Cops and Cars Car Show To Benefit Special Olympics Colorado

April 17, 2017

Fellow car enthusiast,

It's almost summertime again and for those of us that love cars that means it's time to start planning what shows we want to try and attend this year. We hope that you will consider returning to the "Cops and Cars" car show to benefit Special Olympic Colorado.

In the past three years we have been able to donate over \$8,000 to Special Olympics Colorado. With your help we can once again support this great cause.

Just like the last three years, the show will be held at Fruita Monument High School.

The date is Saturday July 29, 2017

Attached are a flyer and the registration slip. Early registration is encouraged, but not required. We have listened to your requests and will have a dash plaque for all who register early. We also appreciate that many people want to bring pop ups but PLEASE be sure to anchor them down. Lastly, we will have multiple clean portable restrooms brought in just for our event.

Please make your check payable to "Matt Ozanic." Once the expenses of the show are paid, *all* the money raised then goes to Special Olympics Colorado.

Again we hope you will return and please bring your friends. It is our desire to see the show grow each year and in the process build a stronger relationship between the community and the police who serve them while raising funds for a very worthy cause.

Respectfully,

Capt. Matt Ozanic
