**General Rules**

Land use public hearings are similar to a court proceeding. Proper procedures will ensure a fair hearing for all and allow the land use items to be acted on in a timely manner. In the interests of time and to assure a fair hearing for everyone, the following rules will be followed:

1. There will generally be a 15-minute presentation (maximum) by the applicant.
2. Individual speakers will normally be limited to 3 minutes each.
   (Additional comments may be submitted in writing.)
3. The applicant will then have a rebuttal time of approximately 5 minutes.

Each person wishing to speak will raise their hand and be recognized by the Chair and asked to come forward and speak into the microphone stating their name and address. The purpose of a land use hearing is to have the facts of a case presented in a manner that will assist the decision-makers in making a fair, legal, and complete decision. The hearing is a fact-finding forum by unbiased decision-makers. Unruly behavior, such as booing, hissing, cheering, applause, verbal outbursts, or other inappropriate behavior, detract from the hearing and will not be permitted.
