7. PUBLIC HEARINGS

Public Hearings are the formal opportunity for the city council to LISTEN to the public regarding the issue at hand. For land use hearings and liquor license hearings; the Council is required to act in a quasi-judicial capacity. When acting as a quasi-judicial body, the Council is acting in much the same capacity as a judge would act in a court of law. Under these circumstances, the judicial or quasi-judicial body must limit its consideration to matters which are placed into evidence and are part of the public record. The council must base their decision on the law and evidence presented at the hearing.

- 1) **Applicant Presentation** (15 minutes max) The petitioner is asked to present the proposal. Presentations should be brief and to the point and cover all of the main points of the project.
- 2) **Staff presentation** (15 minutes max) Staff will present the comments and reports received from review agencies, and offer a recommendation.
- 3) **Public Input** (limit of 5 minutes per person. If two people in the audience are willing to cede their time to the speaker, that speaker may receive a total of 10 minutes, referred to as banking time). People speaking should step up to the microphone and state their name and address. Speakers should be to the point and try not to repeat the points others have made.
- 4) **Applicant Rebuttal (limited to 5 minutes)** The Mayor will ask for the applicant's rebuttal. During this brief time, the applicant should answer the questions raised by the public.
- 5) **The hearing is then closed to public comments.**
- 6) **Questions from the Council.** After a Council member is recognized by the Mayor, they may ask questions of the staff, the applicant, or the public.
