**HAPPY THANKSGIVING!! City Offices will be closed on Nov. 23 & 24 in observation of Thanksgiving holiday.**

### **Tuesday's City Council Workshop**

We will cover an update of our review of density bonus points pertaining to the pending application of the Iron Wheel Subdivision, discuss the process and approach to updating Chapter 8 of the Land Use Code during the pending Moratorium, have a follow-up discussion on outside agency requests and end with a wrap-up discussion on the proposed 2018 Budget scheduled for adoption on December 5, 2017.

### **Elevation Outdoors Best of the Rockies Poll**

Elevation Outdoors is running a 'Best of the Rockies' poll on ElevationOutdoors.com ([here](#)), and announcing the winners in the March print issue of EO. Pass this around and encourage everyone you can to rally behind Fruita on this one! Spread the word and let's get 'em! Nominations will be counted through Wednesday, 11/27. It would be great to see Fruita represented in the 'Best of the Rockies' in print this March!

### **Play Like a Local Campaign (repeat)**

As the City focuses on Quality of Place, Economic Health and Lifestyle built upon a solid foundation of providing core services, we deliberately seek to market the positive aspects of our community we don't want to lose—things like the small town feel, incredible residents, businesses and outdoor recreation amenities, among others. The reality is communities grow or decline, but never stay exactly the same and Fruita is growing. To attract quality, complementary growth our value proposition is similar when attracting residents, businesses and visitors alike. The Play Like a Local Campaign helps in each of these areas. The following is an update and City Link article from Slate Communications:

One of the best parts about living in Fruita is the ability play here too. And we like to say that "our visitors feel like locals and our locals play like visitors". When visitors come to Fruita, the immediately feel like part of the community. Because of this, our

latest tourism marketing campaign is focused on how to “Play like a Local”. If you’d like to help us get the word out about Fruita and attract new visitors, we have some tips and resources to share:

- Make sure you’re following us on Facebook ([facebook.com/FruitaColorado](https://facebook.com/FruitaColorado)) and Instagram (@gofruita). If you see a post you love, please share it!
- When posting about your Fruita adventures on social media, add #gofruita and #playlikealocal, and tag our accounts. We try to repost often.
- GoFruita.com is a great resource to share with your visiting friends and family, but we’re always looking for ways to improve it too. Let us know if you have suggestions!
- We’ve also started a photo library at [www.flickr.com/photos/gofruita](https://www.flickr.com/photos/gofruita) that can be used by Fruita residents and businesses. If you’re sharing tourism-related information, feel free to use the photos.

If you or anyone you know has suggestions or content and photos to share, please contact Liz Cassi with Slate Communications at [liz@slatecommunications.com](mailto:liz@slatecommunications.com). We encourage you to take a break from your busy lives and appreciate the amazing things that our valley has to offer. We can’t wait to see more from your adventures!

**Don’t forget about Small Business Saturday this Saturday—we have some amazing, unique small businesses in Fruita participating**

### **Community Center Rate Increases in 2018 (repeat)**

To alert pass holders and residents of the Community Center rate increases in the proposed 2018 budget heavily due to the passage of Amendment 70 increasing minimum wage, we are getting the word out in a number of ways.

- November 14-16 (and beyond) – Inform staff of the rate changes and the information being sent out
- November 14-16 - Letter and e-blast to current pass holders
- November 27-30 – Activity Guide letter from Parks & Recreation Director reaches all homes

***Please see a copy of the letter sent to all patrons this week below.***

#### **TID BITS:**

- Short week, with much of the focus on finalizing the proposed budget for presentation last night. The entire proposed budget can be viewed on the website at: <http://www.fruita.org/administration/page/2018-draft-budget>
- Big thanks to our awesome Parks Crew for lighting up the public spaces downtown!
- Congrats to the community who recycled 51 tons of cans, bottles, paper and cardboard during the month of October (full report below).
- Also below is the 2018 Recycling pick-up schedule.
- Another item copied below is a memo summarizing the GVRTC strategic planning session held on October 23, 2017.
- Today, the bid opening for phase 2 of the Kokopelli section of the Riverfront trail occurred and we had 4 close bids that will be reviews. They were all under our Engineer's estimate.

- RMHP will continue to be our health insurance provider for 2018. Our new plan (Monument 3500/5000 will go into effect on 1/1/17).
- First interviews for the Planning and Development Director are scheduled for Tuesday, November 28 and Wednesday November 29<sup>th</sup>.
- Unfortunately the Downtown Advisory Board was not able to find a source of Christmas Trees this year for the downtown lot sale, while they did try hard to do so.
- Began working with Slate communications to improve our economic development web presence on [www.fruita.org](http://www.fruita.org) before the end of the year.
- Have a great weekend and Thanksgiving!

November 14, 2017

Dear Fruita Community Center Pass-holder,

It is hard to believe that we are nearing our 7<sup>th</sup> year of operation at the Fruita Community Center! We have enjoyed getting to know our patrons and introducing ourselves to visitors. We feel that these

interactions and our services have brought value to our Fruita Community and we cannot wait to see what the next 7 years has in store for us!

Since opening its doors in 2011, the Fruita Community Center has maintained pass rates at original levels (seven years without a rate increase). Unfortunately, it has become necessary to raise our rates in 2018 to keep pace with the ever-increasing costs of operating the facility. The most notable cost increase we are facing is due to Amendment 70, which was passed in the 2016 state-wide elections and will ultimately raise minimum wages to \$12.00 per hour by year 2020 – up from \$8.31 in 2016. In 2018, the financial impact will be over \$110,000 in part-time salary increases which is necessitating the pass rate increase. We are raising the base rate of each daily pass by \$1.00, which in turn impacts the three-month, punch pass, monthly and annual pass rates. Our analysis shows that the rate increase in 2018 will cover our operating costs in the coming two years but we may need to adjust them again in 2020. We will make a determination at that time. See the new pass rates sheet that is enclosed. These changes will go into effect January 1, 2018.

We thank you for your understanding and trust you continue to find value in the facilities, programs and events we provide to the Fruita Community and look forward to maintaining your support through service that is built on honest relationships.

Sincerely,

Nicole MacDonald

## **We are Fruita. We are...**

**Fun**—This is such a critical behavior that impacts everything we do. If we are not having fun, we must ask why and recalculate and adjust. We must love what we do and where we work, live and play. We are positive and put forth focused effort to have a positive attitude. We are smiling. We are friendly. We enjoy serving the public and working together. We care about the experience those who interact with us internally and externally have.

**Respectful**—We are empathetic. We take an active interest in each other, residents, businesses and visitors. We listen. We talk one at a time. We compliment and build up others. We are tough on issues and easy on people. We recognize the role of City Council, Board and Commission Members, residents, supervisors, coworkers and customers. We are kind. We treat people with dignity. We embrace diversity and make every effort to think collectively.

**United**—We are a team. We focus on purpose and work together to achieve our goals. We communicate effectively with each other. We seek consensus, agree to disagree and move forward for the greater good. We support each other. We value partnerships that help us achieve our goals. We remember we are public stewards and serve. We are inclusive. We create synergy by recognizing our strengths and weaknesses and succeeding as a team.

**Innovative**—Simplicity is our key to innovation. We consider and explore alternatives to the way we've always done it. We are open to new ideas. We welcome calculated risk-taking and learning from our mistakes. We seek continuous improvement and welcome constructive feedback. We ask why and why not. We work to continually improve.

**Transparent**—We operate as an open book. We create, over communicate and reinforce clarity in our work. We are trustworthy. We assume a positive intent from others. We work with integrity. We seek ways to increase transparency internally and externally.

**Authentic**—We are unique. We are real. We are different. We are special. We are optimistic. We are exceptional and proud of it. We are comfortable being different. We are open-minded. We are honest. We embrace and value family. We live what we speak. We create clear expectations and work hard to manage those expectations.
