### **ARTICLE III MEMBERS OF THE BOARD OF DIRECTORS AND OFFICERS**

1. Authority of Board of Directors. Except as provided in this Declaration or the Association Bylaws, the Board of Directors may act in all instances on behalf of the Association.

2. Election of Board of Directors During Period of Declarant Control. No later than sixty (60) days after conveyance of twenty-five percent (25%) of the Lots that May Be Created to Owners other than a Declarant or a Builder, at least one ( 1 ) member and not less than twenty-five percent (25%) of the members of the Board of Directors must be elected by Owners other than the Declarant or a Builder. Not later than sixty (60) days after conveyance of fifty percent (50%) of the Lots that May Be Created to Owners other than a Declarant or a Builder, not less than thirty-three and one-third percent (33-1/3%) of the members of the Board of Directors must be elected by Owners other than the Declarant or a Builder.

3. Authority of Declarant: Termination of Period of Declarant Control. Except as otherwise provided in this Article III, during the Period of Declarant Control, the Declarant or Persons appointed by the Declarant may appoint all officers and directors and remove all officers and directors of the Board of Directors appointed by it. After the termination of the Period of Declarant Control, the Owners must elect a Board of Directors, at least a majority of whom must be Owners other than the Declarant or designated representatives of Owners other than the Declarant. The Board of Directors shall elect the officers. The members of the Board and officers shall take office upon election.

4. Delivery of Documents by Declarant. After the Owners other than the Declarant elect a majority of the members of the Board of Directors, the Declarant shall deliver to the Association all books and records of the Owners and of the Association held by or controlled by the Declarant, if and as required by the Act.

5. Rules and Regulations. Rules and Regulations concerning and governing the Lots, Common Elements, and/or this Community may be adopted, amended or repealed from time to time by the Board of Directors, and the Board of Directors may establish and enforce penalties for the infraction thereof, including, without limitation, the levying and collecting of fines for the violation of any of such Rules and Regulations.

6. Budget. Within thirty (30) days after adoption of any proposed budget for the Community, the Board of Directors shall mail, by ordinary first-class mail, or otherwise deliver a summary of the budget to all the members and shall set a date for a meeting of the members to consider ratification of the budget not less than fourteen (14) nor more than sixty (60) days after mailing or other delivery of the summary. Unless at that meeting the vote of sixty-seven percent

(67%) of the Allocated Interests rejects the budget, the budget is ratified, whether or not a quorum is present. In the event that the proposed budget is rejected, the periodic budget last ratified by the members must be continued until such time as the members ratify a subsequent budget proposed by the Board of Directors.

7. Indemnification. To the fullest extent allowed by law the Association shall indemnify and hold harmless the individual directors and offices of the Association from any and all claims, demands or causes of action, including but not limited to attorney fees and costs incurred in their defense, related to or arising out of the performance of their official duties.

#### **ARTICLE IV COVENANT FOR ASSESSMENTS**

1. Personal Obligation for Assessments. Each Owner, including Declarant and each Builder, by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, covenants and agrees and shall be personally obligated to pay to the Association: annual assessments or charges, special assessments, and other charges, fines, fees, interest, late charges, and other amounts, all as provided in this Declaration, with such assessments and other amounts to be established and collected as hereinafter provided. The obligation for such payments by each Owner to the Association is an independent covenant with all amounts due, from time to time, payable in full when due without notice or demand (except as otherwise expressly provided in this Declaration), and without set-off or deduction. All Owners of each Lot shall be jointly and severally liable to the Association for the payment of all assessments, fees, charges and other amounts attributable to their Lot. Each assessment, together with interest, late charges, costs, and reasonable attorneys fees, shall also be the personal obligation of the Person who was the Owner of such Lot at the time when the assessment became due. The personal obligation for delinquent assessments shall not pass to such Owner's successors in title unless expressly assumed by them. The Association's lien on a Lot for assessments shall be superior to any homestead exemption now or hereafter provided by the laws of the State of Colorado or any exemption now or hereafter provided by the laws of the United States. The acceptance of a deed to land subject to this Declaration shall constitute a waiver of the homestead and any other exemption as against said assessment lien.

2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively to promote the recreation, health, safety and welfare of the residents of the Lots, and for all of those purposes and activities which may be required of the Association or which the Association may be empowered to pursue pursuant to this Declaration or the Articles of incorporation or Bylaws of the Association, or by law; provided, however, that such assessments levied during the period of Declarant Control may not be used for the purpose of constructing capital improvements. The Association shall be responsible for the maintenance and repair of the private streets, mitigation berms, swales for drainage, drainage detention facilities and pedestrian/bike paths.

3. Initial Annual Assessment.

(a) Until commencement of the second annual assessment period, the maximum annual assessment shall be Two Hundred Dollars (\$200.00) per Lot.

(b) Effective with commencement of the second and each subsequent Association fiscal year, the maximum annual assessment may be increased by a vote of the Members over the amount established by the applications of the provisions of 3(b) above for the next succeeding Association fiscal year and at the end of that year, for each succeeding Association fiscal year, provided that any such increase shall have the assent of no less than sixty-seven percent (67%) of the Members who are voting in person or by proxy, at a meeting duly called for this purpose, written notice of which shall be sent to all Members not less than ten (10) days nor more than fifty (50) days in advance of such meeting setting forth the purpose therefor.

(c) The Board of Directors of the Association may, at any time and from time to time, after consideration of the projected maintenance costs and the other financial needs of the Association, fix the actual assessment against each Lot at an amount less than the maximum assessment for any Association fiscal year.

(d) Within thirty (30) days after adoption of any proposed budget for the Association, the Board of Directors shall mail, by ordinary first-class mail, or otherwise deliver a summary of the budget to all the Owners and shall set a date for a meeting of the Owners to consider ratification of the budget not less than fourteen (14) nor more than sixty (60) days after mailing or other delivery of the summary. Unless at that meeting a majority of all Owners reject the budget, the budget shall be ratified, whether or not a quorum of members is present. In the event that the proposed budget is rejected, the periodic budget last ratified by the Owners shall be continued until such time as the Owners ratify a subsequent budget proposed by the Board.

(e) The limitations contained herein shall not apply to any change in the maximum, actual and basis of the assessments undertaken as an incident to a merger or consolidation in which the Association is authorized to participate under its Articles of Incorporation.

(f) The Association shall maintain an adequate reserve fund out of the annual assessments for the repair and replacement of those elements of the Common Element that must be repaired or replaced on a periodic basis.

4. Rate of Assessment. Annual and special assessments shall be set at amounts sufficient to meet the expected needs of the Association. The annual assessments shall include an adequate reserve fund for the maintenance, repair and replacement of those items that must be maintained, repaired or replaced on a periodic basis, and for the payment of insurance deductibles. Except with regard to assessments for Limited Common Elements or otherwise assessed against fewer than all owners as provided in this Declaration, all Common Expenses shall be assessed against all the Lots in accordance with the Allocated Interests set forth in this Declaration.

5. Date of Commencement of Annual Assessments. Until the Association makes an annual assessment, which shall commence at such time as the Board of Directors may determine in its discretion, the Declarant shall pay the expenses of the Association. After any annual

assessment has been made by the Association, annual assessments shall initially not be greater than the amount set forth in Section 3(a) of this Article, and thereafter shall be based on a budget adopted by the Association as provided above. A budget shall be so adopted by the Association no less frequently than annually. The annual assessments shall be due and payable in monthly installments, in advance, or on such other dates, and with such frequency (which may be other than monthly, but not less frequently than annually), as the Board of Directors determines in its discretion from time to time, provided that the first annual assessment shall be adjusted to reflect the time remaining in the first Association fiscal year. Any Owner purchasing a Lot between annual due dates shall pay a pro rata share of the last payment due.

6. Special Assessment. In addition to the annual assessments authorized in this Article, the Board of Directors may levy, in any fiscal year, with the approval of Members casting at least sixty-seven percent (67%) of the Member votes cast at a meeting duly called for this purpose, a special assessment applicable to that year only, for the purpose of defraying in whole or in part the cost of any construction, reconstruction, repair or replacement of a capital improvement upon any portion of property for which the Association has repair and/or reconstruction obligations including fixtures and personal property related thereto, or for repair or reconstruction of any damaged or destroyed improvements, or for the finding of any operating deficit incurred by the Association. Any such special assessment shall be set against each Lot in accordance with the Allocated interests set forth in this Declaration; provided, however, that any costs incurred by the Association with regard to Limited Common Elements or as a result of negligent, reckless or willful actions of a particular Owner (or his agents, servants, guests, tenants, or invitees) shall be borne by the Owner of the affected Lot(s). Notice in writing in the amount of such budgeted Special Assessments and the time for payment of the Special Assessments shall be in accordance with Section 6 hereof. A meeting of the Members called for the purpose of considering the establishment of a special assessment shall be held in conformance with Section 7 of this Article. Notwithstanding the foregoing, special assessments levied during the Period of Declarant Control may not be used by Declarant for the purpose of constructing capital Improvements.

7. Notice and Quorum for any Special Assessments. Written notice of any meeting called for the purpose of taking any action authorized under Section 6 of this Article shall be sent to all members not less than thirty (30) days nor more than sixty (60) days in advance of the meeting. At the first such meeting called, the presence of Members, in person or by proxy, entitled to cast sixty percent (60%) of all the Association votes shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement and the required quorum at the subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

8. Lien for Assessments.

(a) The Association has a statutory lien on a Lot for any assessment levied against that Lot or fines imposed against its Owner. Fees, charges, late charges, attorney fees, fines and interest charged pursuant to this Declaration are enforceable as assessments under this Article. The amount of the lien shall include all those items set forth in this Article from the time such

items become due. If an assessment is payable in installments, each installment is a lien from the time it becomes due, including the due date set by any valid Association acceleration of installment obligations.

(b) Recording of the Declaration constitutes record notice and perfection of the lien. No further recordation of any claim of lien for assessments is required. However, the Board of Directors or managing agent of the Association may prepare, and record in the books and records of the Clerk and Recorder of Mesa County, Colorado, a written notice setting forth the amount of the unpaid indebtedness, the name of the Owner of the Lot, and a description of the Lot. If a lien is filed, the costs and expenses thereof shall be added to the assessment for the Lot against which it is filed and collected as part and parcel thereof. The Association's lien may be foreclosed in like manner as a mortgage on real estate.

9. Priority of Association Lien.

(a) A lien under this Article is prior to all other liens and encumbrances on a Lot except:

i. Liens and encumbrances recorded before the recordation of the Declaration;

ii. A First Security Interest on the Lot, which was recorded before the date on which the assessment sought to be enforced became delinquent; and

iii. Liens for real estate taxes and other governmental assessments or charges against the Lot.

(b) A lien under this Section is also prior to the First Security Interests described in the preceding subsection (a)(ii) to the extent of an amount equal to the Common Expense assessments based on a periodic budget adopted by the Association as provided above, which would have become due, in the absence of any acceleration, during the six (6) months immediately preceding institution by either the Association or any party holding a lien senior to any part of the Association lien created under this Section of an action or a non-judicial foreclosure either to enforce or to extinguish the lien.

(c) This Section does not affect the priority of mechanics or materialmen's liens or the priority of liens for other assessments made by the Association. To the fullest extent allowed by law, a lien under this Article is not subject to the provisions of part 2 of Article 41 of Title 38, C.R.S., as amended.

10. Assessments/Charges for Services to Separate Areas of Community. The Association may, at any time from time to time, provide services to any portion of the Community, including but not limited to maintenance of private road tracts, shared driveways, easements or common elements serving and benefitting specific Lots rather than the entire Community. Any such services shall be provided, if at all, pursuant to an agreement in writing between the Association and the Owners of the Lots for which such service is to be provided, with such

agreement to include a statement and terms for payment of the costs, fees and expenses that are to be paid by such Owners for such services, and which amounts shall include overhead expenses of the Association. Services which may be provided by the Association pursuant to this Section include, without limitation, (a) the construction, care, operation, management, maintenance, repair, replacement and renovation of Improvements or property owned by such Owner(s); (b) the provision of any services or functions to such area, such as trash removal; (c) the enforcement of the provisions of any Supplemental Declaration or any other document or agreement for, on behalf of, and in the name of the applicable Owners; (d) the payment of taxes or other amounts for Owners with funds provided by such Owners; or (e) the procurement of insurance for Owners.

11. Certificate of Status of Assessments. The Association shall furnish to an Owner or such Owner's designee or to a holder of a Security interest or its designee upon written request delivered personally or by certified mail, first class postage prepaid, return receipt, to the Association's registered agent, a written statement setting forth the amount of unpaid assessments currently levied against such Owner's Lot. The statement shall be furnished within fourteen (14) calendar days after receipt of the request and is binding on the Association, the Board of Directors, and every Owner. If no statement is furnished to the Owner or Security Interest Holder or their designee, delivered personally or by certified mail, first class postage prepaid, return receipt requested, to the inquiring party, then the Association shall have no right to assert a lien upon the Lot for unpaid assessments which were due as of the date of the request. The Association shall have the right to charge a reasonable fee for the issuance of such certificates.

12. Effect of Non-Payment of Assessments: Remedies of the Association. Any assessment not paid within ten (10) days after the due date thereof may bear interest from the due date at the rate of twenty- one percent (21%) per annum, or at such lesser rate as may be set from time to time by the Board of Directors. The Association may bring an action at law against the Owner personally obligated to pay the same, or foreclose the lien against such Owner's Lot. If a judgment or decree is obtained, including, without limitation, in a foreclosure action, such judgment or decree shall include interest on the assessment and a reasonable attorney's fee to be fixed by the court, together with the costs of the action, and may include interest and late charges, as above provided. Each Owner is liable for assessments made against such Owner's Lot during the period of ownership of such Lot. No Owner may be exempt from liability for payment of any assessment by abandonment of the Lot against which the assessments are made. This Article does not prohibit actions or suits to recover sums for which this Declaration creates a lien or to prohibit the Association from taking a deed in lieu of foreclosure.

13. Surplus Funds. Any surplus funds of the Association remaining after payment of or provision for Common Expenses and any prepayment of or provision for reserves, shall be retained by the Association as reserves and need not be credited to the Owners in proportion to their Common Expense Liability or credited to them to reduce their future assessments.

14. Other Charges. The Association may levy and assess charges, costs and fees for the following matters, among others, in order to pay or reimburse the Association for costs and expenses incurred by or on behalf of Owner(s) from time to time, including without limitation reimbursement for charges to the Association by its managing agent or other Person(s): copying of Association documents or other documents; return check charges; charges for telefaxes; long

distance telephone calls; transfer charges or fees upon transfer of ownership of a Lot; charges for notices and demand letters; and other charges incurred by the Association for or on behalf of any Owner(s). The amount of such charges, costs, fees and expenses shall be set by the Board of Directors from time to time, shall be in addition to the assessments levied by the Association, and shall be subject to all of the Association's rights with respect to the collection and enforcement of assessments.

15. Assessments for Misconduct. If any Common Expense is caused by the misconduct of any Owner, the Association may assess that Common Expense exclusively against such Owner and his Lot.

16. Fines. The Lots, Owners, and residents of any Lot, shall be subject to fines for violation of this Declaration, the Articles of Incorporation or Bylaws of the Association, or any other rule, regulation, restriction, requirement or other provision duly adopted by the Board of Directors. The Fine Policy of the Association shall be as adopted by the Board of Directors from time to time, except that the initial Fine Policy of the Association shall be as attached to the Bylaws of the Association upon the initial adoption and execution thereof by the Board of Directors. All fines shall be in addition to the assessments levied by the Association, from time to time, and shall be subject to all of the Association's rights with respect to the collection and enforcement of assessments, including without limitation lien rights, interest, late Charges and attorneys' fees.

## **ARTICLE V DESIGN REVIEW COMMITTEE**

1. Composition of DRC. The DRC shall consist of three (3) or more persons appointed by the Board of Directors; provided, however, that until all of the Lots have been conveyed by Declarant to the first Owner thereof (other than Declarant or a Builder), Declarant shall appoint the DRC. The power to "appoint," as provided herein, shall include without limitation the power to: constitute the initial membership of the DRC; appoint member(s) to the DRC on the occurrence of any vacancy therein, for whatever reason; and remove any member of the DRC, with or without cause, at any time, and appoint the successor thereof. Each such appointment may be made for such term(s) of office, subject to the aforesaid power of removal, as may be set from time to time in the discretion of the appointor. The terms of office of all then-current members of the DRC who were appointed by the Declarant shall automatically expire at the time of conveyance by the Declarant of all Lots to the first Owner thereof (other than Declarant or a Builder).

2. Review by DRC. No structure, attachment to a structure, building, fence, wall, canopy, awning, roof, exterior lighting fixture, athletic facility, or other similar improvements or attachments, shall be constructed, erected, placed or installed upon the Property by or on behalf of any Owner other than the Declarant, and no alteration of the material or appearance (including color) of the exterior of a residence or other structure shall be made, and no change in the grade of any Lot shall be performed, unless copies of plans and specifications therefor (said plans and specifications to show exterior design, height, colors, materials, location of the structure or addition to the structure and drainage, as well as such other materials and information as may be required by the DRC) shall have been first submitted to and approved in writing by the DRC. The plans and specifications so submitted shall comply in all respects with the applicable building and

zoning regulations of the City of Fruita (the “City”), County of Mesa, and with the drainage, flood, slope and USGS stability mitigation measures and restrictions established by the applicable site plan approved by the City. The DRC shall exercise its reasonable judgment to the end that all attachments, improvements, construction, landscaping and alterations to residences, other structures, and property, within the Property, conform to and harmonize with the existing surroundings, residences, landscaping and structures. In its review of such plans, specifications and other materials and information, the DRC may require that the applicant(s) pay the DRC a processing fee for the actual expenses incurred by the DRC in the review and approval process. Such amounts, if any, may be levied as part of the common expense assessment against the Lot for which the request for DRC approval was made and, as such, shall be subject to the Association's lien for assessments and subject to all other rights of the Association for the collection thereof, as more fully provided in this Declaration. Notwithstanding the foregoing, no Owner shall have the right to materially alter or modify the original fencing, landscaping improvements or grading installed by Declarant as a Common Element; provided, however, that the foregoing prohibition shall not prevent the repair and maintenance of the same so long as the repair or maintenance restores such items to their original condition. All improvements shall meet or exceed the standards set forth in the Architectural Guidelines as may be adopted and published by the DRC and which may be amended by the DRC at its discretion. If the Plat for the Property contains notes and conditions regarding building envelopes, setbacks, drainage facilities, rock slide berms, dwelling types and height, all of such notes and conditions are incorporated herein by this reference.

3. Procedures. The DRC shall approve or disapprove all requests for architectural control approval within thirty (30) days after the complete submission of copies of all plans, specifications, and other materials which the DRC may require in conjunction therewith. Complete submission shall be deemed to have occurred upon written notice by the DRC that it has received all the required materials. In the event that the DRC fails to approve or disapprove any request within thirty (30) days after the complete submission of all plans, specifications, materials and other information with respect thereto, or the DRC does not exist, approval shall not be required and this Article shall be deemed to have been fully complied with.

4. Vote. A majority of the DRC is required to approve a request for approval pursuant to this Article.

5. Prosecution of Work After Approval. After approval of a request for architectural approval, the work to complete the same shall be accomplished as promptly and diligently as possible and in complete conformity with the approval. Failure to complete the proposed Improvement within one (1) year after the date of approval of the application, or to complete the Improvement in accordance with the description and materials furnished to the Committee, and in accordance with the conditions imposed by the DRC with such approval, shall constitute a violation of this Article.

6. Notice of Completion. After completion of a proposed Improvement, the applicant for architectural approval shall give a written Notice of Completion to the Committee. Until the date of receipt of such Notice of Completion, the DRC shall be deemed to have notice of completion of any Improvement on which approval has been sought and granted as provided in this Article.

7. Inspection of Work. The DRC or its duly authorized representative shall have the right to inspect any Improvement prior to or after completion of the same in order to determine whether or not the proposed Improvement is being completed or has been completed in compliance with the approval granted pursuant to this Article. However, unless the Committee expressly states, in a written document, that an Improvement is being completed or has been completed in conformance with the approval therefor, no such conformance shall be implied from inspection of the Improvement either during the work or after completion thereof.

8. Notice of Non-Compliance. If, as a result of inspections or otherwise, the DRC finds that any Improvement has been done without obtaining the approval of the DRC, or was not done in substantial compliance with the description and materials furnished to, any conditions imposed by, the Committee, or was not completed within the required time period, the DRC shall notify the Board of Directors and the applicant thereof in writing of such noncompliance. Such Notice of Noncompliance shall be given, in any event, within sixty (60) days after the DRC receives any Notice of Completion from the applicant as provided above. Such Notice of Non-compliance shall specify the particulars of the non-compliance, shall require the applicant to take such action as the Committee or the Board may deem necessary or appropriate to remedy the non-compliance, and such Notice of Non-compliance, or a memorandum thereof, may be recorded against the Lot on which the non-compliance exists.

9. Correction of Non-Compliance. If the Committee determines that a noncompliance exists and the Committee gives its Notice of Non-compliance, all as above provided, the applicant who received such notice shall remedy or remove such noncompliance within a period of not more than forty-five (45) days from the date of the giving of such Notice of Noncompliance. If the applicant fails for any reason to correct the noncompliance, as aforesaid, then the Board of Directors may, at its option, record a Notice of Noncompliance against the Lot on which the noncompliance exists, if such notice was not previously recorded. In addition, the Board and/or the Committee and/or any Owner shall have whatever remedies may be available to each of them at law or in equity.

10. Architectural Standards. After expiration of the period of Declarant control, the Board of Directors, with the advice of the DRC, may, at any time from time to time, enact, issue, promulgate, modify, amend, repeal, re-enact, and enforce architectural standards to interpret and implement the provisions of this Article including, without limitation, those relating to the procedures, materials to be submitted, specifications of items, types or kinds of Improvements which will or will not be approved by the DRC, and additional factors which may be taken into consideration in connection with the DRC's consideration of any request for architectural approval. Any architectural standards so adopted by the Board shall be consistent, and not in conflict, with this Article and the Design Guidelines referenced above.

11. Records. The DRC shall maintain records, written or electronic of the originally submitted applications to them and all actions taken by them thereon, and such records shall be available to Members for inspection at reasonable hours of the business day.

12. Liability. Neither the Board of Directors nor the DRC, nor any members thereof; shall be liable in equity or damages to any person submitting requests for approval or to any Owner by reason of any action, failure to act, approval, disapproval, or failure to approve or disapprove in regard to any matter within their jurisdiction hereunder.

13. Appeals. An owner has the right to appeal any decision made by the DRC. All appeals shall be submitted in writing to the Board of Directors. The appeal will then be reviewed and the owner will receive a written response, in electronic or paper form within fifteen (15) days. The Board of Directors may grant reasonable variances or adjustments from any conditions and restrictions imposed by this Article or Article IX hereof, in order to overcome practical difficulties or prevent unnecessary hardships arising by reason of the application of any such conditions and restrictions. Such variances or adjustments shall be granted only in case the granting thereof shall not be materially detrimental or injurious to the other property or Improvements in the neighborhood and shall not militate against the general intent and purpose hereof. Any applicant for a variance is obligated, where required by the City, to receive approval from the City as well as the Board.

14. Waiver. The approval or consent of the Board of Directors to any application for architectural approval shall not be deemed to constitute a waiver of any right to withhold or deny approval or consent by the Board of Directors, as to any application or other matters whatsoever as to which approval or consent may subsequently or additionally be required.

## **ARTICLE VI INSURANCE**

1. Insurance. The Association shall maintain such insurance on the Common Elements determined to be necessary or appropriate by the Board of Directors, considering the availability, liability in relation to their duties and responsibilities in acting as directors and officers on behalf of the Association.

2. General Provisions of Insurance Policies. All policies of insurance carried by the Association shall be carried in blanket policy form naming the Association as insured, or its designee as trustee and attorney-in-fact for all Owners, and each Owner shall be an insured person under such policies cost and risk coverage provided by such insurance, and the cost of said coverage, if any, shall be paid by the Association as Common Expenses. The Association may also consider, in determining the types and amount of insurance it needs to obtain, the then existing requirements of any of the Agencies. In addition, the Association may obtain insurance against such other risks of a similar or dissimilar nature, or on such other property, as the Board of Directors deems appropriate from time to time, to the extent that such coverage is reasonably available, including, but not limited to, personal liability insurance to protect directors and officers of the Association from personal with respect to liability arising out of any Owner's membership in the Association. The policy or policies shall contain a standard non-contributory Security Interest Holder's clause in favor of each Security Interest Holder and a provision that it cannot be canceled or materially altered by either the insured or the insurance company until thirty (30) days'

prior written notice thereof is given to the insured and each Security Interest Holder, insurer or guarantor of a Security Interest. The Association shall furnish a certified copy or duplicate original of such policy or renewal thereof, with proof of premium payment and a certificate identifying the interest of the Owner in question, to any party in interest, including Security Interest Holders, upon request. Any such shall also contain waivers of subrogation. All policies shall contain waivers of any defense based on invalidity arising from any acts or neglect of an Owner where such Owner is not under the control of the Association.

3. Deductibles. The Association may adopt and establish written non-discriminatory policies and procedures relating to the submittal of claims, responsibility for deductibles, and any other matters of claims adjustment. Any loss, or any portion thereof, which falls within the deductible portion of a policy that is carried by the Association, shall be borne by the Person who is responsible for the repair and maintenance of the property which is damaged or destroyed, may be apportioned among the parties sharing in a joint duty of repair and maintenance, or may be partly or wholly borne by the Association, at the election of the Board of Directors. Notwithstanding the foregoing, after notice and hearing, the Association may determine that a loss, either in the form of a deductible to be paid by the Association or an uninsured loss, resulted from the act or negligence of one or more Owners. Upon said determination by the Association, any such loss or portion thereof may be assessed to the Owner(s) in question, in such amounts as the Board of Directors may deem appropriate, and the Association may collect the amount(s) from said Owner(s) in the same manner as any assessment.

4. Payment of Insurance Proceeds. Any loss covered by an insurance policy described in Section 1 of this Article must be adjusted with the Association, but the insurance proceeds for that loss shall be payable to any insurance trustee designated for that purpose, or otherwise to the Association, and not to any holder of a Security interest. The insurance trustee or the Association shall hold any insurance proceeds in trust for the Association, Owners and holders of Security Interests as their interests may appear. Subject to the provisions of Section I of Article VIII of this Declaration, the proceeds must be disbursed first for the repair or restoration of the damaged property; and the Association, Owners and Security Interest Holders are not entitled to receive payment of any portion of the proceeds unless there is a surplus of proceeds after the property has been completely repaired or restored or the Community is terminated.

5. Association Insurance as Primary Coverage. If at the time of any loss under any policy which is in the name of the Association, there is other insurance in the name of any Owner and such Owner's policy covers the same property or loss, or any portion thereof, which is covered by such Association policy, such Association policy shall be primary insurance not contributing with any of such other insurance. An Owner shall be liable to the Association for the amount of any diminution of insurance proceeds to the Association as a result of policies of insurance of an Owner, and the Association may collect the amount from said Owner in the same manner as any assessment.

6. Acceptable Insurance Companies. Each hazard insurance policy purchased by the Association must be written by a hazard insurance carrier which is authorized by law to do business in the State of Colorado. The Association shall not obtain any policy where (a) under the terms of the insurance company's charter, bylaws, or policy, contributions or assessments may be made

against the mortgagor or mortgagee's designee, or (b) under the terms of the carrier's charter, bylaws, or policy, loss payments are contingent upon action by the carrier's board of delegates, policy holders or members, or (c) the policy includes any limiting clauses (other than insurance conditions) which could prevent mortgagees or any Owner from collecting insurance proceeds.

7. Insurance to be Maintained by Owners. Unless otherwise expressly provided in this Declaration, an insurance policy issued to the Association does not obviate the need for Owners to obtain insurance for their own benefit. Insurance coverage on each Lot and the Improvements thereon, as well as on the furnishings and other items of personal property belonging to an Owner, and public liability insurance coverage on each Lot, shall be the responsibility of the Owner of such Lot.

8. Notice of Cancellation. If any policy of such insurance is canceled or not renewed without a replacement policy therefor having been obtained, the Association shall promptly cause notice of that fact to be hand delivered, or sent prepaid by United States mail, to all Owners.

## **ARTICLE VII DAMAGE OR DESTRUCTION**

1. Damage or Destruction. Cost of repair or replacement that is covered by insurance carried by the Association, but which is in excess of insurance proceeds and reserves, is a Common Expense. If the entire Community is not repaired or replaced, the insurance proceeds attributable thereto must be used to restore the damaged area to a condition compatible with the remainder of the Community and, except to the extent that other Persons will be distributees, the remainder of the proceeds must be distributed to all the Owners or lien holders, as their interests may appear, in proportion to the Common Expense Liability of all the Lots.

2. Lots. Any damage to or destruction of any structure located on a Lot shall, except as hereafter provided, be promptly repaired and reconstructed by the Owner thereof using insurance proceeds and personal funds of such Owner. "Repaired and reconstructed," as used in this Section, shall mean restoring the structure to substantially the same condition in which it existed immediately prior to such damage or destruction, including having the same boundaries as before. However, if a residence located on a Lot shall be destroyed or so damaged that the residence is no longer habitable, then the Owner of such Lot shall, within a reasonable time not to exceed one hundred twenty (120) days after the event resulting in such damage or destruction, either commence and diligently pursue repair or reconstruction of the residence or demolish the same. Demolition of a residence shall include removal of any foundation slab, basement walls and floors, regrading of the Lot to a level condition, and the installation of such landscaping as may be required by the DRC pursuant to a plan submitted to and approved by said Committee. If the Owner of a Lot does not either commence repair, reconstruction or demolition activities within a reasonable time, as provided above, and diligently pursue the same in conformance with the plans approved by the Committee, then the Association may, in its reasonable discretion, after providing the notice required in Article VIII, Section 2 hereof, enter upon the Lot for the purpose of demolishing the residence and then landscape the Lot in conformance with approved plans. The

cost related to such demolition and landscaping shall be the personal obligation of the Owner of the Lot on which such work is performed and shall be subject to all the terms and provisions applicable to assessments as provided in Article IV hereof, including without limitation, interest, late charges and lien rights.

## **ARTICLE VIII MAINTENANCE**

### 1. General.

(a) Maintenance, repair and replacement of the Common Elements and all Improvements located thereon, any Association owned irrigation or drainage structure or facilities, and other public Improvements required by the local governmental entity as a condition of development of the Community or any part thereof, shall be the responsibility of the Association unless such Improvements have been dedicated to and accepted by the local governmental entity for the purpose of maintenance, repair or replacement or unless such maintenance, repair or replacement has been authorized by law to be performed by a special district or other municipal or quasi-municipal entity. The Association reserves the right to grant the maintenance responsibility of any designated Limited Common Elements for the benefit of any Lots to the Owners of such Lots, and the Lot Owners are obligated to accept said maintenance responsibility. Furthermore, the Association shall have the right to promulgate reasonable rules and regulations regarding the maintenance by the Owner. No Owner shall make any addition or other alteration to any portion of the Common Elements without the express consent of the Association. Further, the Association may provide such other maintenance and repair as the Board of Directors may determine in its discretion from time to time, including, without limitation, publicly-dedicated property and Improvements located thereon (such as street medians, cul-de-sac landscaping, landscape tracts, other landscaping, trails, fences, and off-street parking). The costs to be expended for the maintenance, repair, replacement and servicing described in this Section shall, subject to Section 4 of this Article, be collected by the Association as assessments pursuant to Article IV hereof.

(b) In addition to the foregoing, the Association shall maintain, repair and replace all Common Element fencing, if any, which has been installed by the Declarant, and by the Declarant on or adjacent to arterial and collector roads, shall maintain, repair and replace storm water facilities including drainage ponds, level spreaders and outfall structures; rock slide berms; the irrigation systems; parking courtyards and driveways; walkways not in the public right of way and play areas not maintained by the City of Grand Junction. All snow removal shall be accomplished without the use of salt based snowmelt on concrete surfaces.

(c) The maintenance, repair and replacement of each Lot, and the Improvements thereon, shall be the responsibility of the Owner of such Lot.

2. Association's Right to Repair, Maintain, Restore and Demolish. In the event any Owner shall fail to perform his maintenance, repair and/or reconstruction obligations in a manner satisfactory to the Board of Directors, the Association may, if said failure continues for a thirty (30) day period after written notice to said Owners by the Board, enter upon said Lot subsequent to the expiration of said thirty (30) day time period to perform any or all of such maintenance,

repair or restoration or, pursuant to Article VII, Section 2 hereof, to demolish a residence. The cost of such maintenance, repair, reconstruction and/or demolition shall be the personal obligation of the Owner of the Lot on which such work is performed, and shall be subject to all of the terms and provisions applicable to "assessments" as provided in Article IV hereof, including, without limitation, interest, late charges and lien rights. Any damage occurring to such Lot or the Improvements thereon in performing such repairs or maintenance shall be the responsibility of the Association.

3. Access Easement. Each Owner shall afford to the Association and the other Owners, and to their agents or employees, access through such Owner's Lot reasonably necessary for maintenance, repair and replacement of any Common Elements and any other property or Improvements maintained, repaired or replaced by such Person(s). If damage is inflicted, or a strong likelihood exists that it will be inflicted, on the Common Elements, any other property, or any Lot through which access is taken, the Owner responsible for the damage, or expense to avoid damage, or the Association if it is responsible, is liable for the cost of prompt repair. Further, each Lot shall be subject to an easement in favor of the Association (including its agents, employees and contractors) for performing maintenance, repair and/or reconstruction as provided in this Article during reasonable hours after reasonable notice to the Owners or occupants of any affected Lot, except that no such notice shall be required of the Association in connection with any fence or landscape maintenance, repair and replacement, and except that in emergency situations entry upon a Lot may be made at any time provided that the Owner or occupants of each affected Lot shall be warned of impending emergency entry as early as is reasonably possible. The interior of any residence located on a Lot shall not be subject to such easements as provided for in this Section.

4. Owner's Misconduct. Notwithstanding anything to the contrary contained in this Declaration, in the event that the need for maintenance, repair or reconstruction of the Common Elements, any other property, or any Improvements located thereon, is caused by the misconduct of any Owner, or by the misconduct of any member of such Owner's family or by a guest or invitee of such Owner, the cost of such repair, maintenance, reconstruction or expense to avoid such damage shall be the personal obligation of such Owner to the extent that said Owner would be liable for the acts of such Person(s) under the laws of the State of Colorado and any costs, expenses and fees incurred by the Association for such maintenance, repair or reconstruction shall be added to the assessment to which such Owner's Lot is subject and shall be subject to all of the terms and provisions of Article N of this Declaration. A determination of the misconduct of any Owner, or any member of an Owner's family or a guest or invitee of any Owner, and the amount of the Owner's liability therefor, shall be determined by the Association at a hearing after notice to the Owner, provided that any such determination which assigns liability to any Owner pursuant to the terms of this Section may be appealed by said Owner to a court of law.

## **ARTICLE IX GENERAL RESTRICTIONS**

1. General Plan. It is the intention of the Declarant to establish and impose a general plan for the improvement, development, use and occupancy of the Community.

2. Restrictions Imposed. This Community is subject to the easements, licenses and other matters of record from time to time. In addition, the Declarant declares that all of the Lots shall be held and shall henceforth be sold, conveyed, used, improved, occupied, owned, resided upon and hypothecated, subject to the following provisions, conditions, limitations, restrictions, agreements and covenants, as well as those contained elsewhere in this Declaration.

3. Residential Use. Subject to Section 4 of this Article IX, Lots shall be used for residential use only, including rental, and including uses which are customarily incident to any of the foregoing, but such residential use shall exclude uses (other than the foregoing) which are for business, commercial or professional purposes; provided, however, that an Owner may use his Unit for professional or home occupation(s) so long as the applicable zoning permits such use, there is no external evidence thereof, and no unreasonable inconvenience to other residents of the Lots is created thereby.

4. Declarant's Use. Notwithstanding anything to the contrary contained in this Declaration, it shall be expressly permissible and proper for Declarant, its employees, agents, and contractors, as well as any Builder (but only with the express written consent of the Declarant), to perform such reasonable activities, and to maintain upon portions of the Lots and the Common Elements such facilities as Declarant deems reasonably necessary or incidental to the construction and sale of Lots, and development and construction of Improvements, specifically including, without limiting the generality of the foregoing, locating, maintaining and relocating management offices, signs, model Lots and sales offices, in such numbers, of such sizes, and at such locations as it determines in its reasonable discretion from time to time. Further, nothing contained in this Declaration shall limit the rights of Declarant or require Declarant to obtain approvals: (a) to excavate, cut, fill or grade any property (with the consent of the Owner thereof) or to construct, alter, demolish or replace any Improvements; (b) to use any Improvements on any property (with the consent of the Owner thereof) as a construction, management, model home or sales or leasing office in connection with the development, construction or sale of any property within the Community; and/or (c) to require Declarant to seek or obtain the approval of the DRC, the Board of Directors, or the Association for any such activity.

5. Household Pets. No animals, livestock, reptiles, poultry or insects, of any kind, shall be raised, bred, kept or boarded in or on the Property; provided, however, that the Owners of each Lot may keep up to two (2) dogs, cats, and fish or other domestic animals which are bona fide household pets, so long as such pet(s) are not kept for any commercial purpose and are not kept in such number or in such manner as to create a nuisance to any resident(s). An Owner's right to keep household pets shall be coupled with the responsibility to pay for any costs to the Association for any damages caused by such Owner's Pet(s) and shall comply with the provisions of applicable law. All pets must be controlled on a leash or contained so that they do not become a nuisance and do not run at large or endanger or harass people, animals or pets.

6. Temporary Structures; Unsightly Conditions; Accessory Buildings. Except as herein provided, no structure of a temporary character, including, but not limited to, a house trailer, tent, shack, storage shed, or outbuilding shall be placed or erected upon any Lot; provided, however, that during the actual construction, alteration, repair or remodeling of a structure or other Improvements, necessary temporary structures for storage of materials may be erected and

maintained by the person doing such work. The work of constructing, altering or remodeling any structure or other Improvements shall be prosecuted diligently from the commencement thereof until the completion thereof. Further, no unsightly conditions, structures, facilities, equipment or objects shall be so located as to be visible from a street or from any other Lot.

7. Miscellaneous Improvement Restrictions.

(a) No advertising or signs of any character shall be erected, placed, permitted, or maintained on any Lot other than a name plate of the occupant and a street number, and except for a "For Sale" or "For Rent" sign not to exceed five (5) square feet and except for political signs, and flags complying with §38-33.3-106.5, C.R.S.; notwithstanding the foregoing, signs, advertising, or billboards used by the Declarant or its designees in connection with the sale or rental of Lots, or otherwise in connection with any development of the Property, shall be permissible, provided that such use by the Declarant or its designees shall not unreasonably interfere with any Owner's use and enjoyment of his Lot, the Common Elements, or with such Owner's ingress or egress from a public way to the Common Elements or his Lot. All signs shall be permitted pursuant to the City of Grand Junction regulations. All other signage shall be reviewed by the DRC.

(b) No clotheslines, service yards, wood piles or storage areas shall be so located on any Lot as to be visible from a street or from the ground level of any other Lot.

(c) No window mounted refrigerating or cooling apparatus shall be permitted unless approved by the DRC.

(d) Except as may otherwise be permitted by the DRC, no exterior radio antenna, television antenna, or other antenna, satellite dish, or audio or visual reception device of any type, shall be placed, erected or maintained on any Lot, except inside a residence or otherwise concealed from view; provided, however, that any such devices may be erected or installed by the Declarant during its sales or construction upon the Lots; and provided further, however, that the requirements of this subsection shall not apply to those "antenna" which are specifically covered by the Telecommunications Act of 1996, as amended from time to time, or regulations adopted thereunder. As to "antenna" which are specifically covered by the Telecommunications Act of 1996, as amended, or regulations adopted thereunder, the Association shall be empowered to adopt rules and regulations governing the types of "antenna" that are permissible and, to the extent permitted by the Telecommunications Act of 1996, as amended, or regulations adopted thereunder, establishing reasonable, non-discriminatory restrictions or requirements relating to appearance, safety, location and maintenance.

(e) No fences shall be permitted except for tan vinyl fencing the design and location of which shall require the approval of the DRC. The Owners of each Lot adjacent to each such vinyl boundary fence shall each be responsible for fifty percent (50%) of the costs of construction of such fence(s). Fencing to be constructed as stated in Section 18.

(f) No wind generators of any kind shall be constructed, installed, erected or maintained on a Lot.

(g) Any exterior lighting installed or maintained shall either be indirect or of such controlled focus and intensity so as not to disturb the residents of adjacent or nearby property.

(h) No wood shake roofs shall be permitted on any structure. All roofs on structures shall be at least 4/12 pitch, and roofs shall be designed to have multiple gables and or hip design and structures, unless approved by the DRC. Roof shingles shall be of architectural design level asphalt or other composite materials. All residences shall have gutters and downspouts.

(i) Maximum structure heights shall be no higher than allowed by the applicable land use, development and zoning standards of governmental departments with jurisdiction over the Community. The ground floor area of a single level residence shall not be less than 1700 square feet. Building size is exclusive of open porches, open patios, and garages, and unfinished areas. Each residence shall have a garage built to hold no fewer than two (2) automobiles.

(j) No manufactured housing, mobile home, modular home, trailer home, or other movable structure shall be permitted on a Lot, regardless of quality.

(k) All driveways and parking pads shall have a concrete surface.

(l) One permanent accessory unit, no larger than 200 square feet, per Lot, as permitted by the City, shall be constructed or permitted, as approved by the DRC.

(m) All exterior wall wood framing must be at minimum 2x6 construction.

(n) Exterior surfaces shall be of material primarily in stucco and include accent features in stone, metal or composite siding. The use of stone must cover at minimum 15% of the surface calculated for the first floor front street façade excluding windows, doors, and garage doors. All corner lots lot dwellings shall comply with this minimum requirement for both facades facing a street. All material is subject to the use by the DRC.

#### 8. Vehicular Parking, Storage and Repairs.

(a) Outdoor parking of recreational vehicles, boats, trailers, motor homes, buses and campers is permitted; provided that the Owner shall enclose such items within screening or fencing which otherwise complies with this Declaration. Parking of such vehicles is limited to a period of 48 hours and must be within the two designated parking spaces within the property limits. These restrictions, however, shall not restrict trucks or other commercial vehicles which are necessary for on-site construction, maintenance, repair or replacement of any property in the Community, or any Improvements located thereon; nor shall such restriction prohibit vehicles that may be otherwise parked as a temporary expedient for loading, delivery or emergency.

(b) Except as hereinabove provided, no abandoned or inoperable automobiles or vehicles of any kind shall be stored or parked on any Lot or parked or stored elsewhere in such

a manner as to be visible from any Lot. An "abandoned or inoperable vehicle" shall be defined as any automobile, truck, motorcycle, or other similar vehicle, which has not been driven under its own propulsion for a period of seventy-two (72) hours or longer, or which does not have an operable propulsion system installed therein or which is not then currently licensed and registered; provided, however, that otherwise permitted vehicles parked by Owners while on vacation (for a maximum of two (2) weeks) or during a period of illness, shall not be deemed to be abandoned.

(c) In the event the Association shall determine that a vehicle is parked or stored in violation of subsections (a) or (b) of this Section, then a written notice describing said vehicle shall be personally delivered to the owner thereof (if such owner can be reasonably ascertained) or shall be conspicuously placed upon the vehicle (if the owner thereof cannot be reasonably ascertained), and if the vehicle is not removed within a reasonable time thereafter, as determined by the Association in its discretion from time to time, the Association shall have the right to remove the vehicle at the sole expense of the owner thereof.

(d) No activity such as, but not limited to, maintenance, repair, rebuilding, dismantling, repainting or servicing of any kind of vehicles, trailers or boats, may be performed or conducted in the Community unless it is done within completely enclosed structure(s) which screen the sight and sound of the activity from the street and from adjoining property. The foregoing restriction shall not be deemed to prevent washing and polishing of any motor vehicle, boat, trailer, motor-driven cycle, or other vehicle, together with those activities normally incident and necessary to such washing and polishing.

(e) Without limiting any of the aforesaid provisions of this Section, the Association shall have the right, at any time from time to time, to promulgate, enact, adopt, amend, repeal, reenact and enforce restrictions, requirements or other regulations having to do with parking of vehicles, except that the Association has no right or jurisdiction to regulate or control parking on a public street.

9. Nuisances. No nuisance shall be permitted which is visible within or otherwise affects the Community nor any use, activity or practice which is a source of annoyance or embarrassment to, or which offends or disturbs the resident of any Lot or which interferes with the peaceful enjoyment or possession and proper use of any Lot, or any portion thereof, by its residents. As used herein, the term "nuisance" shall not include any activities of Declarant or a Builder which are reasonably necessary to the development and construction of, and sales activities on, the Lots; provided, however, that such activities of the Declarant or a Builder shall not unreasonably interfere with any Owner's use and enjoyment of his Lot, or with any Owner's ingress and egress to or from his Lot and a public way. No noxious or offensive activity (i.e., noise, light, odors, etc.) shall be carried on, nor shall anything be done or placed which is or may become a nuisance or cause embarrassment, disturbance or annoyance to other person(s) in the Community. Further, no immoral, improper, offensive or unlawful use shall be permitted or made of the Community any portion thereof. All valid laws, ordinances and regulations of all governmental bodies having jurisdiction over the Community, or any portion thereof, shall be observed.

10. No Hazardous Activities. No activities shall be conducted in the Community, or within Improvements constructed thereon, which are or might be unsafe or hazardous to any person

or property. Without limiting the generality of the foregoing, no firearms shall be discharged and no open fires shall be lighted or permitted except in a contained Lot while attended and in use or within an interior fireplace, or except such campfires or picnic fires on property which may be designated for such use by the Association.

11. Restrictions on Trash and Materials. No refuse, garbage, trash, lumber, grass, shrubs or tree clippings, plant waste, metal, bulk materials, scrap or debris of any kind shall be kept, stored, or allowed to accumulate on any Lot unless placed in a suitable container suitably located solely for the purpose of garbage pickup or composting. Further, no trash or materials shall be permitted to accumulate in such a manner so as to be visible from any Lot. All equipment for the storage or disposal of such materials shall be kept in a clean and sanitary condition. No garbage or trash cans or receptacles shall be maintained in an exposed or unsightly manner. The Association shall have the right to (a) select a single trash collection contractor for the entire Community to limit the number of collection vehicle traffic, and (b) mandate participation in a recycling trash removal program applicable to the entire Community contracted for by the Association.

12. Minor Violations of Setback Restrictions. If upon the erection of any structure, it is disclosed by survey that a minor violation or infringement of setback lines has occurred, such violation or infringement shall be deemed waived by the Owners of each Lot immediately adjoining the structure which is in violation of the setback, and such waiver shall be binding upon all other Owners. However, nothing contained in this Section shall prevent the prosecution of a suit for any other violation of the restrictions, covenants, or other provisions contained in this Declaration. A "minor violation," for the purpose of this Section, is an unintentional violation of not more than two (2) feet beyond the required setback lines or Lot lines. This provision shall apply only to the original structures and shall not be applicable to any alterations or repairs to, or replacements of, any of such structures.

(a) All Lot corner monuments have been set to establish dimensions for the required building setbacks. Building setbacks and specific building envelope requirements must be adhered to as identified on the recorded plat for each Filing.

(b) In addition, no principal dwelling shall be nearer than 8 feet to established side Lot lines per recorded plat for each Filing. Individual exceptions and considerations may be reviewed by the DRC.

13. Lots to be Maintained. Each Lot shall at all times be kept in clean, sightly and sanitary condition by the Owner of the Lot. No trash, litter, junk, boxes, containers, bottles, cans, implements or machinery shall be permitted to remain upon any Lot except as necessary during the period of construction or as provided in Section 11 of this Article.

14. Leases. The term "lease," as used herein, shall include any agreement for the leasing or rental of a Lot, or any portion thereof, and shall specifically include, without limitation, subleases. Any Owner shall have the right to lease his Lot, or any portion thereof, as long as all leases provide that the terms of the lease and lessee's occupancy of the leased premises shall be subject in all respects to the provisions of all applicable City Codes and Ordinances, this Declaration, and the Articles of Incorporation, Bylaws, and rules and regulations of the

Association, and that any failure by the lessee to comply with any of the aforesaid documents, in any material respect, shall be a default under such lease.

15. Management Agreements and Other Contracts. Any agreement for professional management of the Association's business or other contract providing for services of the Declarant shall have a maximum term of three (3) years and any such agreement shall provide for termination by either party thereto, with or without cause and without payment of a termination fee, upon not more than ninety (90) days' prior written notice.

16. Maintenance of Grade and Drainage: Easements for Drainage and Utilities.

(a) Each Owner shall maintain the grading and drainage hazard mitigation upon his Lot, and the Association shall maintain the grading and drainage hazard mitigation upon the Common Elements, at the slope and pitch fixed by the final grading thereof, including landscaping and maintenance of the slopes. Each Owner and the Association agree, for themselves and their heirs, personal representatives, successors and assigns, that they will not in any way interfere with the established drainage pattern over any such real property, from adjoining or other property. Construction of improvements outside the established building envelopes is prohibited. In the event that it is necessary or desirable to change the established drainage over any Lot or Common Elements, then the party responsible for the maintenance of such real property shall submit a plan to the DRC for its review and approval, in accordance with the provisions of Article V of this Declaration. For purposes of this Section, "established drainage" is defined as the drainage which exists at the time final grading of a Lot is completed.

(b) Each Owner shall maintain the ground and grades of, and the landscaping on, a Lot so that water flows away from each residence and other structures and so that water near or under the foundation of all structures is perpetually avoided. Further, each Owner shall maintain the grade on and improvements to the Owner's Lot so that drainage/run-off water does not flow onto any other Lot or adjacent property unless the drainage/run-off water flows in a designated drainage easement.
