## Client/Nutrition Trainer Guidelines

The guidelines outlined below are to ensure that the responsibility and relationship between the Nutrition Trainer and the Client is clearly appreciated and understood.

## Client's Responsibilities

- Share all health history information and any medical concerns with the trainer.
- Notify your trainer about medications you are on and any time new medications/diagnoses are given.
- If at any time during your program, you feel discomfort or lightheaded you must tell your trainer.
- Reaching your nutrition goals is not always an easy accomplishment. It takes hard work and dedication. Your trainer will ensure correct program development and technique; however, you must provide the commitment to give 100\% of your energy and concentration to each session. This combination is to ensure your success!
- Your payment for the Nutrition Training service must be made prior to your first training session. The trainers are not able to take money from clients so you must pay at the Fruita Community Center during normal operating hours.
- The time of this session is agreed upon between the client and the trainer. If the client is late, the session will only last until the end of the hour for which that session was scheduled.
- If a session needs to be canceled for any reason, a 24 hour notice must be given. If prior notification is not given, that session will be forfeited.

## Trainers Responsibilities

- Each session is individually designed to meet your needs and goals and will last a maximum of 60 minutes (unless specified beforehand).
- The Nutrition trainer will create a program that is safe, effective, and conducive to reaching the goals that have been agreed upon by the client and trainer.
- If the trainer is late for a session, that time is owed to the client. If the trainer must cancel a session, the session is owed to the client.
- All information regarding your program and progress is confidential and will remain on file for 3 years following the conclusion of your participation in the program.
- If you have any feedback regarding your trainer, or questions, please contact the Fruita Community Center Coordinator at 970.858.0360.

I understand and agree to the roles and responsibilities explained above. Facsimile, electronic, typed and counterpart signatures are binding as originals.
