### Question/Answer Section

Q: Can the contractor fully close the roads to through traffic on all streets aside from Vermont Lane and Heritage Meadows as long as local traffic is allowed through?

A: Yes, the city will allow full closures of all streets other than Vermont Lane and the Heritage Meadows subdivision (Sheets O2 and O4) to through traffic. Full closures will be allowed only during milling or paving operations. The contractor shall fully open roads during any times when milling or paving operations are not occurring, including any time period between milling and paving.

The Contractor shall acknowledge receipt of this, and any future Addenda on the Bid Schedule to be considered a responsive bid. This Addendum **does not** change the deadline to submit a bid.
