

2020 Fruita Entertainment/Marketing Mini-Grant Application and Guidelines

Each year, the Fruita Tourism Advisory Council (hereinafter “FTAC”) is excited for the opportunity to partner with individuals, organizations, and businesses to promote new and unique events and opportunities in Fruita. These events will provide City of Fruita residents a place to enjoy entertainment and fun throughout the year. For example, in previous years, FTAC has helped fund several downtown events and block parties with the mini-grant. And annually, FTAC provides funding for events such as the Fruita Fat Tire Festival, the Fruita Farmer’s Market, and the Colorado Riverfront Concert Series, to name a few.

Although historically the mini-grant has been used for events, the grant can also be used for marketing or other projects that would provide an economic benefit to local businesses. These grants are funded through revenues for marketing and promotion of the City of Fruita and its environs to tourists, the traveling public and other which will be beneficial to the community. For 2020, FTAC is looking forward to receiving applications for events or projects.

The FTAC Mini-Grant Application Package contains the following:

A. 2020 Mini-Grant Guidelines and Process

Overview

The City of Fruita Tourism and Advisory Board is excited to receive applications for the 2020 Mini-Grant program. These grant applications will continue to be accepted throughout year but are due no later than 5 p.m., 60 days before the event date. These applications will be reviewed and awarded or denied as they are received. For 2020, FTAC has \$4,000 to award for local events and projects. These grants are a “dollar for dollar” cash match, or a 50/50 match, with a maximum contribution of \$1,000 per event. Although applications are received year-round, all grants applications must be completed no later than November 30, 2020.

Types of Grants

- A. Cash awards will be made up to \$1,000 to be determined by FTAC, totaling no more than \$4000 for all projects combined.
- B. Grant funding will be paid on a reimbursement basis only – paid invoices, receipts, or proof of payments will be required to be submitted at the completion of the project.
- C. As a recipient of the grant, the projects must acknowledge the City of Fruita as a sponsor on any printed materials, t-shirts and or/other products, media advertising, festival announcements, banners and/or other recognition appropriate for the project.

Eligible Projects

FTAC welcomes any and all applications to be considered for the mini-grant program. Typically, however, the following criteria will be used when evaluating proposals:

Community benefit

Economic Benefit to local businesses

Ability to become a multi-year event

Experience of applicants

Demonstration of partnership

Success with other similar projects

Uniqueness in approach

Uniqueness of event to Fruita

Process

Once an application has been submitted and received by FTAC, City Staff will review the application to ensure that it is complete and to determine potential eligibility for the mini-grant. If the event or project is potentially eligible for the grant, then it will be included on a FTAC agenda to be reviewed by the Board. Typically, and although subject to change, FTAC meets monthly and the dates of these meetings are provided below. While at this point no additional participation is needed from the applicant, if the Council has any questions, the applicant will be contacted.

FRUITA COLORADO

Once FTAC has reviewed an application in a meeting, the Council shall vote on whether the application for the mini-grant shall be approved or denied. If a quorum of the Council is present at the meeting that the application is being reviewed, an application shall be approved if it receives a majority of votes from its members. Again, when receiving applications, members of the Council will consider the criteria listed above.

Once a decision has been made by the Council on an application, the applicant will be notified of the decision by a member of the City Staff. If approved, submit all reimbursement paperwork to City Staff following the event.

Applications be submitted in person at or mailed to 325 E. Aspen Ave, Fruita Co 81521. Applications can also be submitted electronically to Obrach@fruita.org. And finally, applications can be faxed to 970-858-0210.

We look forward to your applications!
